Note: Links for Special Track Will be Updated by 22 October 2020

The screenshot displays a conference website with two main sections: 'Special Tracks' and 'Main Tracks (Paper Presentation)'. The 'Special Tracks' section includes three tracks: 'Special Track 1: JMG/ Soil and Geotechnical Engineering' (with a JMG logo), 'Special Track 2: WengHong/Urban Storm Water Management' (with a WH logo), and 'Special Track 3: CMS/Latest Development in Concrete Material' (with a CMS logo). Below these are logos for 'sarawak energy' and 'Social Change ACES'. The 'Main Tracks' section lists eight tracks: 'Track 1: Civil Engineering', 'Track 2: Civil Engineering', 'Track 3: Civil Engineering', 'Track 4: Civil Engineering', 'Track 5: Civil Engineering & Construction Management', 'Track 6: Construction Management & Chemical Engineering', 'Track 7: Electrical & Electronic Engineering', and 'Track 8: Electrical & Electronic Engineering'. Each track is represented by a thumbnail image of a person in a hard hat. Below the tracks is a Google account selection screen showing the account 'SIMNEE TING' with email 'tingsimnee@gmail.com' and a 'Use another account' option. At the bottom, there are links for 'English (United States)', 'Help', 'Privacy', and 'Terms'.
